“ Warm greetings to all family members, friends and those who are connected to our precious Gabby. If you ever heard of the sentiment "angel on earth," then you know that distinctively describes Gabrielle. A little bolt of lightning, she was feisty, and wise far beyond her short-lived years. At such a young age Gabby experienced tests and trials that some have never experienced or ever will, but Gabby endured them all. She is a testament of what miracles from God entail. Gabby was an angel sent on earth to show us that God exists and that he can do what he wants to do, when he wants to do it. Gabby had an ability to draw people closer and push them to their fullest potential. It was her strength that did it. When you look at this precious baby standing strong during her challenges, it gave you hope to press through yours. While there may be sadness, because our precious little Gabby is no longer here with us, we must remember that her pain has ceased. We will never be able to understand what Gabby went through, but God does. In God's love for Gabby, he decided to take her with him. In moments of sadness and grief, just remember Gabby is resting with God. To Benocia, Gabby's mom, we love you and appreciate your fervent prayer and fight for your baby. God will reward you. Stay strong and may the peace of God overshadow and heal all your hurt, in the name of Jesus of Nazareth.
