“ TO THE VINSON FAMILY:

On behalf of The Louis and Henrietta Johnson Family Reunion body-at-large, I wish to express our sincerest sympathies and deepest condolences to Willie Vinson and the extended Vinson Family.

Although we can never truly experience the depth of your sorrow, in the loss of Mitchell, as strongly as you do, know that we are significantly affected, both personally and collectively, by his passing.

Due to the pandemic, many of us who wanted to be right by your side, we could not be physically present during the memorial service and the days leading up to it.

However, know that you and your family are not alone. We are not only with you in spirit, but we remain just a phone call, text, or e-mail away.

If you need anything, please don't hesitate to contact me and I or someone on the Reunion Steering Committee will get the word out to the rest of the family. We will do what we can.

I can be reached by phone and text at 256-289-9692.

You can also e-mail me at wyattsings@gmail.com.

We love all of you and will be praying for that God and His Heavenly Host will attend to your every need. We pray that He will give you peace, comfort, and understanding. May God also give you strength as you strive to accept this challenging part of His eternal plan. We encourage you to hold on to God's unchanging hand, like you always have before, as you continue to walk with Him.
