I am so so sorry to learn of his passing. I'm still in shock. He and Sherry were neighbors and friends in Texas. Although we didn't talk that often, we could always just pick up where we left off. He was a kind would and I am just so sorry for your loss! Sending my prayers Sherry. Miss your presence here in Texas. Sending love: Anita Bradley (horse girl down the street)

I was shocked to find out that Dennis past away over 3 years ago. I had the pleasure of serving as his Personal Banker for Morris Dennis Trucking in California for many years prior to his move to Texas.

We kept in touch even through he moved to Texas then on to Georgia. He always said he would work for Tyler Perry when he got settled in Georgia, then I could imagine him flashing that signature smile. He will truly be missed.

Please accept my belated sincere condolences. I pray that blessings will continue for many years for the entire family.

“ My grandpa was a beautiful soul! Over the past few years we formed a really close relationship and would have phone calls that lasted hours. Whenever he came out to California to see us I always made sure I seen him and sat and talked and laughed about everything going on. I could always talk to him about anything and he would always give some real advice. His favorite thing to tell me was “baby, make sure you stay in your lane. As long as you stay in your lane you’ll be alright” and I would always laugh because I didn’t know how my grandpa knew anything about “staying in your lane” lol. I miss you SOOO MUCH grandpa!! My heart is broken. I appreciate all of our conversations, I appreciate everything you’ve taught me and told me and I will ALWAYS hold those moments close. I have about 6 voicemails on my phone that I go back and listen to when it gets to be too much for me. I LOVE YOU SO MUCH!!! And I know you’re watching over me and I thank you for that. I promise to keep making you proud of me. I pray that you give me and your other grandchildren strength to handle this tragic loss. As well as my aunties, my uncle, and my grandma!! Until we meet again grandpa... you’re forever my guy and even though you’re not here physically any more we’re still locked in! #4lifers💙

“ *Morris, also known as Honey, was my favorite cousin since we were children. He had such a wonderful personality and was easy to talk to. He was husky and well built but had a gentle and kind manner that drew people to him. Even strangers were drawn to him by his outstanding demeanor.*

He called me the morning before he died and we enjoyed an update on what we had been doing since our last conversation.

I love him and will miss him. Honey, I look forward to seeing you when I get to Heaven. Until then, Farewell cousin.
