“ It’s been a few years since God claimed you back to Him. I enjoyed working with you as we served on an Organization called The Newton County African American for the Arts, when I served as the First President & Founder. Nancy Kay was very faithful with the organization & contributed to its growth. She served as the second Treasurer of our group. She was thorough in her reporting. Her dedication to this group was profound as this organization was the first, in Newton County and a roadmap as other groups followed our plans. Kay served greatly and wanted our group to continue progressing.

Kay is missed! 🙏❤️🕊️
