“ Frank, Sue, Jeanne, and Marianne, and families, so sorry for the loss of your mom. As our neighbors, your family provided much entertainment and stress relief to me and my brothers. Many an hour was spent at our pool, but it was always fun to be around Nancy at the Perrault residence. She was the brightness shining on the old man’s mood swings. What I would call my 2nd mom. Funny and entertaining and I think my mom was a little jelly. May she spend external life continuing to be bright!

“ Our heart breaks hearing of the passing of our beloved aunt Nancy. While growing up we had many fun filled family gatherings. Later in our years we were able to share a few memories on a rare get together as most of us lived in different states. Sending our love & condolences to all Nancy’s family & friends.
