“ Today is Feb 18th, 2025. My name is Terry, and I'm just finding out about the passing of my dear friend and Patrick aka P Booka! We were in a rap group Called Urban Drama. The Lord placed him in my spirit this morning, so I searched for his name and couldn't believe what I was reading. My heart goes out to his family and friends.

*This Kool Hand! Urban Drama for Life!*

“ I have been wondering why you weren't returning my calls. It wasn't like you not to answer the phone or call back Today I searched your name and found this. My heart is so broken. Rest in Peace Patrick, I will miss you and your encouraging words. I had so much to tell you today only to find out it will have to wait until we meet again.

“ From High School DC to your full of life FB page you kept me laughing and smiling. This one hurt. Every year we found ourself saying goodbye to another classmate and becomes more painful every time. You served our country proudly and we thank you for your service. You can take your rest Patrick. We'll see you later
