“ *My dear cousin...I still am at a lost that you are no longer here and my heart is heavy now, but that will pass. For I know that you was a child of God and even while laying in your sick bed, you still wanted to pray to the Father. I will cherish the beautiful memories we made and will always remember the words of wisdom you gave me from when I first started working with you at Molly's Play School my senior year and you introduce yourself to me as my cousin. Rest on my sweet and don't play cousin. 😊😊😊*
