“ To the family of Portia Scott, We are so glad that God allowed Portia to become apart of our family through our brother, Fred Howard. Our hearts are heavy and broken, but Jesus will mend them together again. We just thank you family also for sharing her with us. She had a sweet spirit inside and out. We will miss the family gatherings and especially Christmas Eve that we shared with her. But we know that God's plans are perfect and that He never makes mistakes. You can rest now Portia and we look forward to seeing you again and this time it will be no end. We thank God for the peace and strength during the coming days that He will comfort all of us.

Love, Always In Christ Jesus
