“ *Mr. Jefferson was my Guidance Counselor at Cousins Middle School. My sister and I loved his sessions. He was a positive motivator during such challenging times and we have always loved Mr. Jefferson in that way. He will be missed in this community but God has a greater plan. This not “good bye”, but “see you later”.*

“ *My parents, Grier Trevor, and I send our love and prayers to the family of Mr Richard Jefferson. My mom and dad worked closely with Mr & Mrs Jefferson for years with the African American Council for the Arts. My mom and dad love both of them so much! I have so many memories of the festival and being at the meetings. So thankful to have them in my life for some many years. I miss my Christmas cards from them!*

To: *The family of Richard Jefferson*

I want to express my sincere thoughts to your family. Richard, his wife, Nancy Kay ,and I worked together for many years after God gave me the vision ,to start a great organization in Newton County, "The Newton County African American Council for the Arts, Inc." We worked very hard together for the entire youth to give scholarships to many worthy students! In addition to giving back money to the youth, we had the first ever "Black Arts Festival " that was annually held at the historic "R. L. Cousins Gymnasium." Along with many other Arts Council Members and charter members, we worked hard and as a team. I thank God for all of their labors, from both Richard and Nancy Kay, for the betterment of humanity and serving our world! Rest In Peace!
