I met Richard by being Mrs. Swain's parent volunteer at Walker Park. He was one of the most Kind tender hearted people I know. He would be willing to serve and help anytime you needed it. We had so many laughs and there were times where we would lift each other up when we were having a hard day. I will miss Richard and his smile and him yelling down the hall Laaaauuuuurie! May the lord comfort you and bring you peace.

“ I am so sad to hear of Mr. Tory's passing. It breaks my heart. I didn't know him very well, but he always smiled at me in passing and he always spoke to me when I was subbing. I miss him at walker park. Prayers for his family.

“ I met Richard when he came to classes at Athens Technical College when Universal Rundle, Walton-Monroe Mills, and Oxford Slacks ended employment for so many Walton County residents. Richard brought his work ethic with him--Always on time, smiling, ready to take on new assignments, motivated and determined. When a full time position was available with Walker Park School, I still saw him often as my grandchildren were students there and my daughter (Hendricks) a teacher. He would always ask about my family. He was truly a fine family man--Seen on the bleachers at MACHS cheering Tyler on in the football games. And, something that everyone may not know is that the way to Richard's heart is with a bag of muscadines or scuppernongs!!!!

From what the family shared two weeks ago, we can truthfully say that our loss is Heaven's gain.

To the Family: My prayers are with you at this time. I'm praying that you feel the Holy Spirit in a mighty way and that God wraps you up in His Love.

“ *When Richard was hired at Walker Park, he brought instant sunshine with him! He was always so positive and ready to help with anything needed in and out of my classroom , regardless of how he felt each day! We often laughed, talked, and shared our sorrows and our joys... I shall miss him dearly but rejoice that he blessed my life by being a true friend to me during the many years we worked as a team... as a family! Praying for healing of grief for all who knew him!*
