“ Your sudden departure was so unexpected to all of us. But as we know when God dialed your number you couldn't ignore his call. You will be truly missed. You are not jus my brother-in-law you are my bonus brother one who welcomed me with open arms. Family isn't always blood it's the ones who want you in their lives accept you as their very own and would do anything to see a smile upon your face. I'm truly grateful for that. Rest Easy " Watt"
Love you, Sister- in- law Cathy Webb
