“ *I love this family tremendously! My father had such a great connection with the Wright family! Loved to hear Mr. Wright play that guitar! A very talented man in the Lord, Who loved God and his family! You are truly going to be miss! For we know to be absent in the body is to be present with the Lord! Love, Paulette and Micah*

“Daddy I can't find words to describe to others the man you were. Couple things I know without a doubt, you loved God with all of your heart, mind and soul, you loved your family and you were an awesome provider. We appreciate the #1 valuable tools you instilled in us: Love and serve God with your while heart. Although you were a biological father to 6, I realize you were a father to so many others. We promise to take care of mommy like you did, never having her worrying much. God got us and he going to take care of us. You will be dearly missed by us here on earth but I know heaven has gained the best daddy I know.  
I love you with every fiber of my being. Rest daddy!  
Love your daughter
