“ A google search led me to this page and I'm at a lost of words. My name is Calvin and I grew up with Rondel in high school. Him and his dad was the reason why I got in the Air Force and made the best decision of my entire life. Naturally as you get older and move around you fall out of touch with people. I know he past some time ago but this is new to me as I'm writing this and I'm hurt. I've been trying to reconnect with him socially online as well as I even went to his old house when I move back to Georgia to see if him or his family was still there. First play Gay San Andreas with him at his house and Mario tennis. Taught me my first unique handshake lol. Even though I been looking for you I know where to find you know my boy. Hope to see you on the other side. Love you forever Rondel. 100 🙏

“ *Rondel, you were truly a light... you laugh was so infectious. I remember when you would do everything in your power to annoy Jasmin when you guys were younger. We would slap box until one of us busted the other's lip 😊. Those times don't even seem that long ago! You are literally one of the funniest people I have ever known. You would always laugh and roll your eyes when I said you were "baby Vin Diesel" lol don't worry I attached the picture as proof. Seriously, knowing you're not here is such a tough realization... we have truly lost someone special. I will always carry your spirit with me and hold the memories close to my heart. Rest peacefully! I love you 🕊*

“ Our hearts go out to the family of Rondel Murphy. You are in our thoughts and prayers.

*Do not stand at my grave and weep,  
I am not there, I do not sleep.  
I am in a thousand winds that blow,  
I am the softly falling snow.  
I am the gentle showers of rain,  
I am the fields of ripening grain.  
I am in the morning hush,  
I am in the graceful rush  
Of beautiful birds in circling flight,  
I am the starshine of the night.  
I am in the flowers that bloom,  
I am in a quiet room.  
I am in the birds that sing,  
I am in each lovely thing.  
Do not stand at my grave and cry,  
I am not there. I do not die.*

*Sincerely,  
Reggie and Twanika Douglas*
