“ Hey Pawpaw. I guess you decided to take that job tutoring golf after all. You were so modest when it came to your knowledge concerning the sport of golf. .If u were born 20 years later u would have been Tiger Woods mentor but in the early 30's all you and your brothers were allowed to do was look through the fence that separated Madea's back yard from college Park golf course and find the lost golf balls. I love and miss you dearly. And yes we found out about all the tires you bought for Ameshia on your sears credit card. Thanks for the wonderful example of giving and loving family, friends and strangers. Enjoy Golf in Heaven for eternity!!!!

“ I am so very sorry for your loss. May you find comfort from the God of all comfort who can help you to cope with your grief. It can be hard to face each day without your loved one, but the love and support of family and friends, and more importantly our loving Creator, can help to ease the pain and sorrow. Again, please accept my sincere condolences. (2 Corinthians 1:3,4)
