“ You never met a stranger, and you never forgot about the people that you met and created a bond with. We weren't always hanging out, but whenever we were hanging in the same place we were hanging together. You were my fam. We shared the same grandson. We always clicked. I wish that I was saying this to your face like we always did. You shined me up a couple of times, had my Honda smiling from headlight to headlight. Save me a place in the Kingdom, that He has prepared for us. Rest easy 😊☐☐

“ I knew me and Scotty would be cool when I meet him in 2007. We always cracked jokes all the time at General Mills. It hurt me so bad when I got the news at work about his passing. Rest In Peace my brother. You will be truly missed.
