“ So sorry to hear of your loss. I can't imagine how this loss might feel, but I pray that God will strengthen you all as you are going through this time of sorrow. Bl remember when Rose brought Tay with her to visit me and he wanted to spend the night because I had bunk beds. That really amazed me because I didn't have children.v I'm sending a virtual hug and sympathy from the Rooks, Alexander, and Jennings families. To God be the glory and may you all continue to stand strong. Love ya!

“ I'm so heartbroken, words can't described. I remember growing up with tay back in the days along with his brother. We are like family and when we all get together we have a good time. GOD has called another angel! Tay will be missed but NEVER forgotten. Somethings we don't understand but only GOD knows. My condolence goes out to the Brown family. May GOD continue to be with you in the time of grief. Much love
