Tillie was my cousin as well as classmate and I thought a lot of her. She was a humble and private person may she rest in heaven.

“ *Tillie and I worked together at the Department of Labor for 14 years. She was a kind and caring person who became a favorite member of my work family. I enjoyed cracking her up with reflections on our work experiences. Always a treat to catch up with her regarding her girls and grandchildren--she was dedicated to her family. Gone too early....rest in sweet peace*

“ Tillie and I worked together for many years at the Georgia Dept. of Labor in Covington. She was a wonderful person and great friend. I saw her a couple of years ago at the music in the park on the square in Covington. It was so good to talk and catch up since we had both retired. My condolences to the family. Rest in peace 🕊️🕊️ my friend.

*Tillie was a quiet hard working Christian lady. I especially admired her motivation in returning to college to obtain her degree while working full time at the GDOL. She strived to do her best to provide for her two girls. Our prayers for them and their families.
