“ *Growing up Bubba was the big brother I never had. His love of gardening and yard work are traits that he inherited from our grandparents. Most recently, his mother's 90th birthday celebration, brought back lots of memories of our childhood. He always greeted me with a hug and kiss on the cheek. To Annette, Lee, all the brothers and sisters, let us all be of one mind, have compassion one of another. Love and be courteous to each other.*
