To the family of TC is what I know to called him: on behalf of Armonte one of his friends from childhood, the one thing that I can remember from TC is that when he came around us he was treated like he was my own grandson, he call me "MEMO" as if I was his grandma, I was sadden to hear of him leaving this side , but I know he going to a greater side of heaven where he will light up with his smile. He will be missed dearly by my grandson Armonte , May God keep you and give you peace. Ms. Dennis
