“ *Words fail to express the sorrow of losing Tyeisha. She was a wonderful neighbor with a beautiful soul, a gentle spirit, and a warm smile. Nothing and no one can take her place. My heart goes out to her entire family, especially to Jermaul and the children. May God give you comfort. --Love, Allie*

“ Hey there i'm sending my condolences out to the family of Mrs colley She will always be remembered in my heart as loving and outgoing and bright teacher. She's always been my favorite. She will forever be. She was my fifth grade teacher last year and I will never forget on the last day of school when she took pictures with me and made me really happy. I was originally gonna go home, but I decided to stay so I could stay with my favorite teacher and it's really hard to see now that she's in heaven, but fly high, Mrs colley and i have sunflowers in my room now as a memory of her because her favorite flower was a sunflower and I remember on the last day of school me and another girl helped her pack up her room and moved furniture and she's given this other girl some of the gifts she didn't wanted. She was always outgoing to us and did her best and helped us in every way she could fly high Mrs colley

“ You were such a light and blessing to the BTM family. We will remember you fondly

to ensure that I would have a gift on Christmas, because what my Secret Santa had ordered for me, wouldn't arrive until after Jan. Spoooo! Another, well I forget our orders, our sis name calling, our I love you, compliments, or comments via this platform OR her donating to my oldest two sons' football team. It's a must I finally pull out my crossbody purse. I find a fit & shoes to match, that she gift me with because she wouldn't talk, in the beginning, that I can just wait until my Secret Santa's gift arrive. I'm doing it in memory of her generosity if I forever hold on to it. This is so unbelievable & very heartbreaking. I have on my mind since being made aware of her passing early this morning. She didn't deserve this, neither did her husband, whose in recovery. This is exactly why I'm big on snapping pictures, regardless of how we may look, because one day, pictures & memories will be all we have.

*I was a neighbor of Mrs Colley in Greystone Neighborhood in Forsyth GA. This is so heart breaking for the family. I only met her and Emanuel once while I was walking the neighborhood. Seemed like such a nice family. I'm sure she will be missed by her family, children and her school family. Teachers have a special place, teaching is profession you are called to do.*

*Such a senseless loss, nothing should ever be that bad. I pray for comfort during this hard time and especially during the Christmas season.*

“ I met Ty when I first moved to Monroe. She was my son's daycare teacher. Being new to the area and not knowing anyone, I was so afraid to leave my son at daycare. Ty changed all of that! She loved on him, protected him and taught him. She would send me pictures to ease my heart while I was in school. Ty always told me how much she loved my makeup and asked me to be her makeup artist for her wedding. I was honored! I will always remember the beautiful person she was and the impact she made on my family. You will be missed Ty ! ❤️
