“ I have so many memories of being the only daughter-in-law for a very long time. Things weren't bad between us we shared our own kind of love you each other. Like I'd say the sky is blue she'd say no Pam don't you see all the clouds in the sky. After 43 years of being a daughter in law we came to know each other very well. I love you Wanda Dean King Lankford. Delighted for the good times we had and of now I wish the could've been all great. I love you so much and I will miss you forever.  
Until we meet again your daughter via Rick, Pamela Lankford
