“ I met Mr. Willie as I affectionately refer to him sitting on his porch when I was campaigning for City Council. We sat and talked for a long time and I often drive through the neighborhood and see him sitting there and stop to speak with him. I will miss him- He gave me some great advice that I will never forget and even after I won he kept my sign in his yard. I told him he could remove it but he said he wanted to keep it. I will miss him and my condolences to his family and friends and anyone that came in contact with him was truly blessed. Adriane Brown Monroe City Council District 5

“ Mr Willie and I were neighbors on E Marable for a couple of years. I wish I had gotten to know him better. I watched him walk up and down the street and thankfully one day he was there and didn't let my dog run into the street. He ended up doing that twice. We had lovely conversations. He was an interesting man. May He rest in peace. My heart goes out to his family and friends. Love, Nancy

“ It was a distinct honor and a privilege to have known Mr. Willie. I was his neighbor for five years. He was always kind and considerate and everyone loved him. I will remember him as a pure soul who truly was a light in this world. I will never forget him for his greeting others with “ heeeeeey neighbor”! Rest in peace Mr. Willie. Family, I will keep you in my thoughts.
