“ To the Block Family:

Both personally and on behalf of the Louis and Henrietta Johnson Reunion Family, we are immensely saddened by the passing of Yolanda. She was such a kindhearted, sweet-spirited, accepting, and loving person. Her spirit of quiet determination and laser-focus on her calling and purpose set a model in place that will be beneficial for all of us to follow.

She blessed our family in eternal ways through her dedication and commitment to unifying our family. Every time we visit The Louis Johnson Family Reunion FaceBook page that she built for us, her family, we will be reminded of her love for us.

She was loved dearly and therefore will be missed greatly. She will live on in our hearts and memory.

We will be praying for the Block Family that God will continue to guide you as you navigate this unforeseen valley of sorrow. May you find some peace in knowing the Almighty God that Yolanda trusted in is still available and waiting to come to your aid. His Holy Spirit will comfort, strengthen, keep, and teach you as you mourn her passing and search for answers. The resurrection of His Son, Jesus, stands as a reminder that it's not over, God has all power and the final say, and the best is yet to come.

In the meantime, as your family, we are here to hold you up and support you as best we can. Please don't hesitate to call upon us.
